

HELP IMPROVE MENTAL HEALTH CARE FOR CHILDREN IN TEXAS

The Texas Childhood Trauma Research Network (TX-CTRN) is seeking research participants for a paid 2-year study to understand trauma in children and adolescents.

YOU MAY BE ELIGIBLE TO PARTICIPATE IF YOU:

- Are between the ages of 8-20
- Have a history of a traumatic event
- Can dedicate time to 6 virtual or in-person study assessments over 2 years
- Speak English or Spanish

Compensation up to \$400

Parents/guardians of minors under age 18 must provide consent for the participation of their child
