

Stand Up for Texas Youth Mental Health

The Texas Childhood Trauma Research Network (TX-CTRN) is seeking research participants for a 2-year study to help us transform the future outcomes of those among the youth population with a history of exposure to trauma.

We need youth and parents like you.

You will be compensated for your time

You may be able to participate if you:

- Are between the ages of 8-20
- Experienced distress after a traumatic event, such as motor vehicle accident, animal attack, witnessing violence, serious illness, hospitalization, being assaulted.
- Are able to dedicate time to digital and in-person study assessments

If interested, please contact
